

# Environmental Compliance Assistance Tools for Federal Agencies

**FedSite** is a virtual compliance assistance center providing information on environmental regulations, pollution prevention, and policies affecting Federal agencies.

The virtual tour allows users to tour a typical facility and learn about regulations and pollution prevention strategies as they apply to operations at federal facilities.

Visit FedSite at: [www.epa.gov/fedsite](http://www.epa.gov/fedsite)

## FedEnviroNews-Online

**FedEnviroNews-Online** is a computerized, subscription-based information service operated by the US EPA's Office of Enforcement and Compliance Assurance, Federal Facilities Enforcement Office. Subscribers to FedEnviroNews-Online, will receive environmental news and information of interest to federal facilities. This electronic information service is part of EPA's continuing efforts to improve awareness of and provide access to environmental information. This is a free service provided to federal facility environmental managers and staff, as well as state environmental practitioners. Recipients may cancel their subscription at any time, and new subscribers are welcome.
