

January 24, 1998

DRMS-USD

SUBJECT: DRMS Letter No. 98-I-3, DEMIL of Camouflage Net

TO: Recipients of DRMS-I 4160.14, Vol VII

This letter is directive in nature and expires on September 30, 1999 unless sooner updated, supplemented, rescinded or superseded.

1. The purpose of this letter is to clarify and provide additional information on the demilitarization of radar scattering camouflage netting by burial. The provisions of this numbered letter are applicable to all DRMS activities.

2. Chapter 2, paragraph A7o is changed as shown below. Replace "approved Federal Government Landfill" with **"Government approved landfill"**. Add paragraph A7o(4) to read: **"Government approved landfill is defined as being licensed by a local, state, or national controlling agency."** Please make pen and ink changes.

4. In order to maintain a current index of changes to DRMS guidance, add this numbered letter to enclosure one of the current DRMS numbered letter index.
